| About ERN

ERN is a counselling firm that provides end-to-end services for a wide range of universities around the globe. Through our network of partner universities, we provide the students with a solid foundation on which they can build their future success. We ensure we find the best fit institution for each student, keeping their academic and financial profile in mind. ERN is actively involved in Transnational education and forming collaborations between its global partners and local providers across the regions it operates in.

Based on its credibility and strategic approach, ERN has consistently been expanding its panel of UK, US, Canadian, Australian, and UAE University partnerships. At present, ERN represents over 150 universities in these popular study destinations. We currently have a presence in South Asia and the Middle East.
